NOTES:

Cork Dorks ... check out our new retail wine shoppe, "**The Cork Stop**". Lisa has been busy adding fabulous new selections daily!

"The City" Pinot Noir
\$10.99 bt / \$120 case

The Landscape Wine Series shares the love of Michigan by offering hand crafted California wines, bottled with photos of Michigan landscape. This bottling, "The City", features a beautiful picture of the skyline of Detroit.

This wine over-performs for its price. We'll call this one another great summer-time red, pairing comfortably a wide variety of summertime foods.
